

# Continue growing as a Catholic School Professional

---

1. Continue teaching at your ACE school or use our network and job board to find a position at another Catholic school (e.g., a ND ACE Academy).
2. Work toward becoming a master teacher by participating in ENL or TEC.
3. Learn how to more effectively recruit Latino families to your school through the Catholic School Advantage Campaign.
4. Teach internationally through ACE Chile or network with ACE grads to find programs in other countries.
5. Transition into school leadership through the Mary Ann Remick Leadership Program.

ACE Advocates

Catholic Schools

# Support Catholic schools via **prayer & spiritual development**

---

1. Attend or help lead an ACE Advocates retreat or day of reflection.
2. Get spiritual resources through our newsletter, Facebook, Twitter, and website.
3. Give a copy of our book, *5 Minutes with Christ: Spiritual Reflections for Busy Teachers*, to a friend of Catholic schools.
4. Apply to be an ACE Advocates Intern and help lead the Commencement Retreat for your cohort.
5. Lead or participate in a Bible study offered through your local ACE Advocates region.

ACE Advocates

Catholic Schools

# Support Catholic schools via **Educational Policy**

---

1. Participate in the annual Advocates for Parental Choice Symposium.
2. Pursue a degree in law or public education policy.
3. Follow ACE Advocates on Facebook or Twitter for helpful articles and resources and share them with your networks.
4. Submit an article on this topic for ACE's monthly e-newsletter.
5. Lead your ACE Advocates region in building awareness about parental choice initiatives and other policies related to Catholic schools.

# Get involved in an ACE Advocates region

---

1. Use the ACE Advocates website to find a regional leader near you.
2. Connect with an ACE Advocates region for support in transitioning to a new city.
3. No Advocates region in your area? Ask us about the simple process for starting one.
4. Attend a regional Gamewatch, Mass, fundraiser, day of service, etc., to meet other ACE Advocates in your area.
5. Working in a field outside of education? Rely on your local region to help you stay connected to the mission of Catholic schools.

# Pursue graduate studies

---

1. Seek a PhD program whose faculty are familiar with ACE or interested in Catholic education.
2. Connect with the Catholic education special interest group through the American Educational Research Association (AERA).
3. Focus your research on Catholic education, or conduct your research in Catholic schools.
4. Connect with ACE graduates who have gone into academia for advice on programs and areas of study.
5. Learn about the Action Research projects conducted by administrators in the Remick Leadership Program.
