Christians around the world can be heard praising God in many languages this Easter season. Practice writing each word for alleluia. If you're up for a challenge...

- Can you identify the language of each of these alleluias?
- Trace every alleluia. Two of them are meant to be read from right to left (Arabic and Hebrew). Can you trace them starting from the right and working to the left?
- Use the internet to help you practice pronouncing each one.
- Which form of alleluia is most likely to be heard in Rome? Athens? Seoul? Nairobi? Delhi? Kiev? Caracas? Copenhagen? Cairo? Your city or town?
- Which of these forms of alleluia are cognates?
- In which language do we communicate with God?
